Third USF-PAMA Southeast Regional Conference

Lifecycle of the Performing Artist

June 1-3, 2018

USF School of Music Barness Recital Hall

<http://music.arts.usf.edu/PAMA>

About the Conference:

The third USF-PAMA Conference is focused on research and education of healthy practice and longevity of performing artists' life cycle. Its scope extends to intersecting arts, medicine, ethics, and medical humanities.

Target participants:

The Conference is designed for health professionals, performing artists and educators, visual artists and educators, health science educators, medical humanities specialists, and other generalists who are interested in the intersection of the performing arts and health sciences.

Objectives:

Participants will learn:

- health risks, prevention, treatment, and rehabilitation in the performing arts profession
- research and education that intersect the arts and medicine
- intersecting arts in medical humanities

CALL FOR ABSTRACTS

Call for Abstracts (see details in <http://music.arts.usf.edu/PAMA>)

You are invited to submit an abstract on topics that include a broad spectrum of research and practice relating to Performing Arts Medicine including various topics associated with the lifecycle of the performing artist. Participants selected by the program committee will have the opportunity to present and share their research to contribute to the conference objectives.

Abstract Submissions:

Name your abstract file in the following manner:
lastname-firstname-2018.doc (or docx)

Abstracts must be submitted electronically by 5:00 pm on January 12, 2018 to the following email address: PAMA-USF@usf.edu OR snicosia@health.usf.edu OR mmorris3@usf.edu

Accepted abstracts will be assigned by the Program Committee to one of the following:

- 20 minute live presentation plus 5 minutes for Q&A (25 minutes total)
- Poster presentation 6-minute rotating presentation

Notification: Notification of acceptance or denial for abstract submission will be made by February 12, 2018 by email.

QUESTIONS: If you have questions regarding the abstract submission or the conference contact: snicosia@health.usf.edu, mmorris3@usf.edu, OR slee@usf.edu
